Bryn Mawr Classical Review 2012 11 24

October 24th, 2018 - Dynamic Reading like most of its contributors comes from the world of Comparative Literature not Classics and its value lies at least as much in its unsettling theoretical vision of reception as in what it says about the uses and reuses of Epicureanism Because of the introduction's importance in establishing a theoretical basis for the volume I will concentrate on it and mention only a few individual contributions
