
The Smallest Snowflake

chapter 9 - sacred geometry - quantum k - 79 *chapter 9 sacred geometry sacred geometry is the ancient belief that shapes and mathematical designs lie behind all creation, clearly sharing much with fractal geometry. **general directions for chicken scratch** - use three strands, on 1/8 inch use two strands, and on 1/16 inch use only one strand. for traditional chicken scratch" white is the floss color of choice for the filling stitches, with the outline stitch worked in the same color* **chapter 7 - fractal geometry - quantum k - 57** *fractal should be computed in both directions, as in nature where there is no beginning or end to the depth of the calculations. i have also added the words '3 dimensions' wherever the basic formula is shown, to*
